Dear Sanford:

Hope this finds you two well!

I received a page that Jim's sister copied off her computer. I had not seen anything like this before. Let me know what you think about this.

Henrich Wisheart (Father)
Henrich Wisheart

(Mother)

#1 spouse

Barbara Lehr

Children: Johann Weisert

Spouse #2

Rachel

Children:

Nancy Wisheart

Polly Wisheart

Catherine Wisheart

John Wisheart

A sheet on Polly Wisheart married Phillip Rush ^(Rust) says Phillip died 1829 in Logan, Ky. Do you have anything on Phillip Rush?

Regarding the name of the first wife given:

I find the name Lehr in York Co, Penn, in Frederick Co, Md and in Rockingham Co, VA.

This does sound interesting. It looks like whoever put this on the computer probably ^(over)

descends from Polly Weseheart and
Phillip Rush (sometimes spelled Rust).
I wish I knew who this person was.
There is nothing in this area on
Logan County, Ky.

Notice the article says Henrich Weseheart
is the father but didn't have a name for the
mother so evidently doesn't have the information
from York County, Penn.

Best wishes,

Velda
